Get on board the **BooBee** Bus

We are incredibly lucky in Wythenshawe to be home to Europe's first Breast Cancer Prevention Centre at the Nightingale Centre in Wythenshawe Hospital. Prevent Breast Cancer, the charity based at the Centre is organising a month of awareness raising and fundraising in October and on 7th October the Boo Bee Bus will be at Wythenshawe Forum.

On board the bus will be women who have experience of breast cancer who will be distributing "Bee Aware" information and encouraging women to come on board to find out more about breast health.

There are a number of ways you can get involved:

Come along and visit the bus on the 7th October 10am to 4pm at Wythenshawe Forum.

Hold a 'wear it pink day' to raise money for Prevent Breast Cancer during October.

Share and support the month on your social media.

I really hope you able to get on board and support this amazing local charity. For more information please contact Annie Blanchard annie@preventbreastcancer.org.uk T: 0161 291-4400 or see the Boo Bee website here: www.boobee.co.uk

Best wishes

Mike Kane MP
