MRS BEETON'S COOKERY

SALMON STEAKS

These may be enclosed in an oiled paper, and either grilled or fried in hot fat in a sauté pan. Or they may be coated with egg and bread-crumbs and fried. Serve with sliced cucumber and your choice of sauce.

How things are different now.

Yes 40 years ago when I was landlord of the Spread Eagle on Royle Green Road in Northenden, Demetri, the owner of Church Road Chippy, would come in about 10 pm and have a pint. Then at 11.30 pm when we closed I would go and get my pie and chips. Well calling in the other day things haven't changed very much; I still got my pie and chips served now by Christine and Mike. Then on the other hand I went down Boat Lane by the River Mersey and found that John and Paula from the Crown Pub have opened a small but well placed café with good coffee and very good sandwiches. I could sit inside or out...

I chose out it was a nice day!

A very busy weekend in Wythenshawe

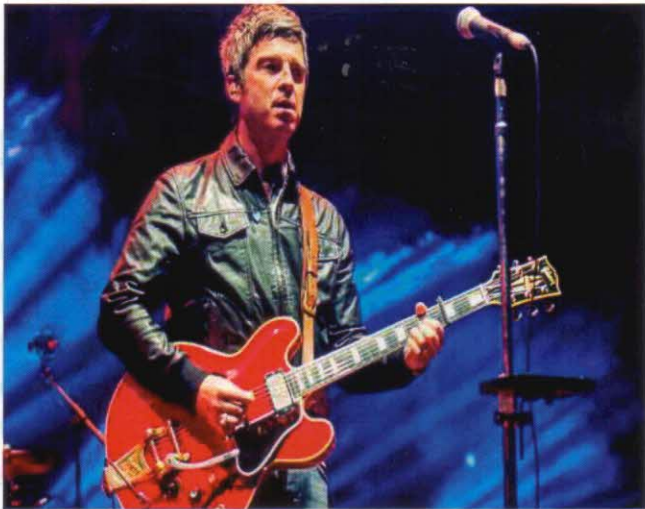

SANTA CALLING

Santa paid me a visit this week and wants to know if he can join us again this Christmas around Wythenshawe to give children and older people selection boxes? If you have a group and would like Santa to call or sit in a grotto then let me know.

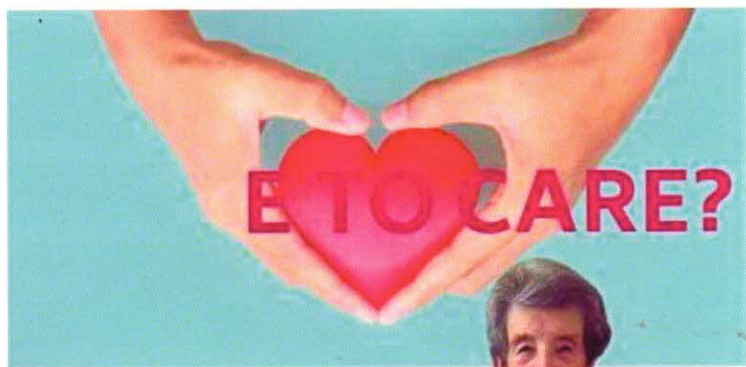

We're at Wythenshawe Park watching Primal Scream ahead of Noel Gallagher's gig - and it's stopped raining!
